

Agricultural Systems

Editor-in-Chief

V. SNOW

Agresearch Ltd Lincoln Research Centre,
Christchurch, New Zealand

Editors

E. STEPHENS

Agriculture and Agri-Food Canada (AAFC),
Lethbridge Research
and Development Centre, Lethbridge,
Alberta, Canada

J. TIMSINA

Institute for Study and Development
Worldwide, Sydney, Australia

G. MARTIN

French National Institute for Agricultural
Research,
Paris, France

M. VAN WIJK

International Livestock Research Institute,
Nairobi, Kenya

L. KLERKX

Wageningen University, Wageningen,
Netherlands

P. REIDSMA

Wageningen University, Wageningen,
Netherlands

C. TOPP

Scotland's Rural College, Edinburgh, UK

Editorial Advisory Board

F. Accatino

AgroParisTech, National Institute of Agronomic Research, Paris, France

N. Andrieu

CIRAD Environments and Societies Department, Montpellier, France

S. Aravindakshan

Farming Systems Ecology - Plant Sciences, Wageningen University and Research,
Wageningen, Netherlands

M. Berti

North Dakota State University, Fargo, North Dakota, United States

H. Bhandari

International Rice Research Institute - Bangladesh, Dhaka, Bangladesh

P. Cornish

Western Sydney University School of Science and Health, Penrith, Australia

P. Crosson

Irish Agriculture and Food Development Authority, Carlow, Ireland

I. Darnhofer

University of Natural Resources and Applied Life Sciences Institute
of Agricultural and Forestry Economics, Vienna, Austria

K. Descheemaeker

Wageningen University, Wageningen, Netherlands

M. Devkota

International Center for Agricultural Research in the Dry Areas Morocco,
Rabat, Morocco

S. Dogliotti

University of the Republic School of Agronomy, Montevideo, Uruguay

B. Dumont

National Research Institute for Agriculture Food and Environment PHASE Department,
Nouzilly, France

A. Engler

Universidad Católica, Santiago, Chile

R. Finger

Swiss Federal Institute of Technology, Zurich, Switzerland

R. Garrett

Swiss Federal Institute of Technology Zurich Institute for Environmental Decisions,
Zurich, Switzerland

D. Giltrap

Landcare Research New Zealand, Lincoln, New Zealand

J.C. Groot

Wageningen University, Wageningen, Netherlands

J. Hammond

International Livestock Research Institute Sustainable livestock systems, Nairobi, Kenya

M. Harrison

Tasmanian Institute of Agriculture, Burnie, Tasmania, Australia

H. van der Werf

National Research Institute for Agriculture Food and Environment Bretagne-Normandie
Center, Rennes, France

R. Huber

ETH Zurich Agricultural Economics and Policy Group, Zurich, Switzerland

E. Kalaugher

DairyNZ, Hamilton, New Zealand

A. Komarek

School of Agriculture and Food Sciences, The University of Queensland, Australia

R. Kröbel

Agriculture and Agri-Food Canada, Ottawa, Ontario, Canada

M.K. van Ittersum

Wageningen University, Wageningen, Netherlands

R.S. Llewellyn

CSIRO Waite Campus, Urrbrae, Australia

E. Luedeling

University of Bonn Department of Horticultural Science, Bonn, Germany

W. Luo

Nanjing Agricultural University, Nanjing, China

A. McDonald

Cornell University, USA

E.A. Meier

Commonwealth Scientific and Industrial Research Organisation, Agriculture and Food,
Saint Lucia, Queensland, Australia

H. Meinke

University of Tasmania, Hobart, Australia

P. Modernel

Royal Friesland Campina, Expert team Farm, Milk & Sustainability, Wageningen,
Netherlands

C. Mosnier

INRAE, Department of Economics and Social Sciences, Research Unit Herbivores, Paris,
France

S. Sharma

International Rice Research Institute, New Delhi, India

P. Smethurst

CSIRO Land and Water, Black Mountain, Australia

S. Snapp

Michigan State University Department of Plant Soil and Microbial Sciences, East Lansing,
Michigan, United States

E.M. Suárez-Rey

Andalusian Institute of Agricultural Research and Training Fisheries and Ecological Food
Production Camino de Purchil Centre, Granada, Spain

C. Nicholson

Cornell University, Ithaca, New York, United States

E.D. Olde

Wageningen University & Research Animal Production Systems Group, Wageningen,
Netherlands

D. Pannell

The University of Western Australia School of Agricultural and Environment,
Perth, Australia

D. Parsons

Swedish University of Agricultural Sciences - Umea Campus, Umeå, Sweden

H. Pathak

National Institute of Abiotic Stress Management, Pune, India

P. Poortvliet

Wageningen University & Research Strategic Communication Group, Wageningen, Netherlands

T. Persson

Norwegian Institute of Bioeconomy Research Særheim, Klepp Stasjon, Norway

L. Prost

French National Institute for Agricultural Research INRAE, Paris, France

B. Rapidel

CIRAD UMR ABSys (Biodiversified Agrosystems), Montpellier, France

M. Rivera-Ferre

University of Vic, Barcelona, Spain

D. Rodriguez

University of Queensland, Brisbane, Queensland, Australia

J.A. Romera

AgResearch, Hamilton, New Zealand

M. Robertson

Commonwealth Scientific and Industrial Research Organisation, Canberra, Australia

W.A.H. Rossing

Wageningen University, Wageningen, Netherlands

M.C. Rufino

Lancaster Environment Centre, Lancaster, United Kingdom

L. Rusinamhodzi

International Maize and Wheat Improvement Centre Kenya, Nairobi, Kenya

P.K. Thornton

Edinburgh, UK

P. Tittonell

National Institute of Agricultural Technology San Carlos de Bariloche, Argentina

J.A. Turner

AgResearch Ltd, Waikato Mail Centre, Hamilton, New Zealand

R. Vibart

AgResearch Ltd, Waikato Mail Centre, Hamilton, New Zealand

J. Weerahewa

University of Peradeniya Faculty of Agriculture, Peradeniya, Sri Lanka

A. Weersink

University of Guelph, Guelph, Ontario, Canada

J. Whish

CSIRO Agricultural Production Systems Research Unit, Toowoomba, Australia

S. Wigboldus

Wageningen University and Research, Wageningen, Netherlands

Q.Y. Yu

University of Technology Sydney School of Life Sciences, Broadway, New South Wales, Australia

P.M. Zander

Leibniz Centre for Agricultural Landscape Research, Munchenberg, Germany

H. Zanten

Farming Systems Ecology - Plant Sciences, Wageningen University and Research, Wageningen, Netherlands

M. Zehetmeier

Bavarian State Research Center for Agriculture, Freising, Germany

Z. Zhang

Beijing Normal University, Faculty of Geographical Science, Beijing, China
